

EMA TRAINING GUIDE

Background

This platform allows EMAs and clinic administrators to participate in training videos and assessments that are required for all RACs.

Instructions

1. In your web browser, go to courses.albertaboneandjoint.com
2. Click on "Sign In".

RAPID ACCESS CLINICS
ORIENTATION FOR CLINICIANS & ADMINISTRATORS

BACK TO HOME FAQ **SIGN IN**

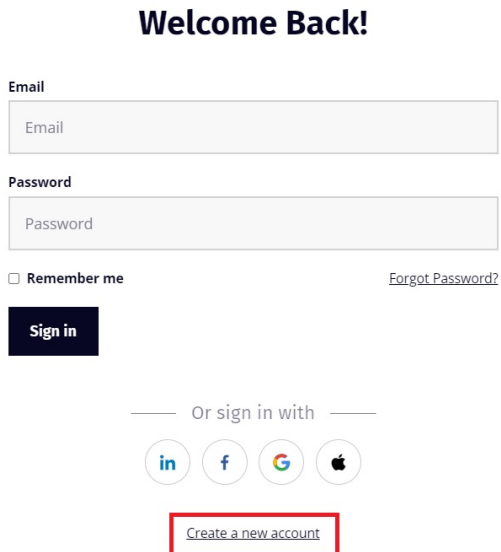

Welcome to the Orientation Program

The **Rapid Access Clinic orientation and certification program** equips clinicians and administrators with knowledge about the core principles that underlie the Rapid Access model of care.

- ✓ Sign up for a new account to access courses
- ✓ Complete your required course for shoulder, soft tissue knee, or spine conditions
- ✓ Inform your clinic when your training is completed.

Get started now

3. Click "Create a new account" at the bottom of the page.

- Click on "Back to Home" and start your modules based on the continuum you practice (knee, spine, shoulder, etc.)

- Each module has various readings, videos, and quizzes you need to complete to get your certificate of completion.
- Once a module is completed, a certificate of completion will be emailed to you. The certificates will also be available in the "My Account" tab under "Certificates".
- Forward the email certificate to your Clinic Director.
